Good morning, Ms. Collins, I am in receipt of MUR 6973 delivered to my office today October 30th 2015...I'm confused why my company is included in this complaint. On June 29th Alien Tequila did indeed sponsor several private party's for grand opening of the Embassy Nightclub, through-out the entire Grand Opening weekend. We did not sponsor Mr. Kihuen's event, our logo appears nowhere on his flyers.

It is my understand that Mr. Kihuen had an event at the Ate Lounge Las Vegas, which is another venue within the Embassy Nightclub's 70,000 square foot space. The Latin Chamber of Commerce's party was on the other side of the building in the Main Room of the venue, neither Alien Tequila or myself has donated to Mr. Kihuen's campaign and I did not attend Mr. Kihuen's event.

If you have any further questions please feel free to contact me via my email address above.

Best regards,

George Harris
